

Mobile Double-sided Poster Stands for A2 posters. 640mm wide.

These are narrower versions of both our wood and metal double-sided poster stands, perfect for A2-sized snap frames. Respectively made from treated timber or metals fit for outdoors. Finished in any stain (wood only) or paint colour of your choice. Available with wheels and brakes. Your branding can be painted on all sides or sides of your choosing. Each face holds a poster snapframe and decorative faux plants.
